

**Town of Castle Valley
Electrical Permit Application**

Application Date _____

Applicant _____ Lot # _____

Physical Address _____

Mailing Address _____

Telephone _____

Contractor _____ Telephone _____

Project Description: _____

If electrical installation encroaches upon the Town road easement, an **Application of Right-of-Way Encroachment Permit** must be completed and submitted to the Town Roads Manager for approval.

Applicant provides:

- a) Plot plan drawn to scale (3 copies: 1 for Town, 1 for County, 1 for your records)

Plan Shall Include:

1. Lot #, name, address, phone #, and signature of lot owner and contractor.
2. Property lines, road easement lines and setbacks
3. Existing structures (designate use)
4. Proposed structures (designate use)
5. Location of electrical hookup
6. Location of electric meter
7. Dimensions locating all of the above on property

- b) Application of Right-of-Way Encroachment Permit, if applicable.

- c) Grand County Building Permit Application.

- d) \$15 (check payable to the "Town of Castle Valley").
