

## **ROCKY MOUNTAIN POWER TREE TRIMMING**

Beginning this week, January 23<sup>rd</sup> through January 27<sup>th</sup>, 2012, advance notice of scheduled tree trimming will begin. The process is as follows:

- An individual from Trees, Inc. will knock on the door of the residence where the tree(s) require trimming. This contact will be made five days prior to any work.
- If personal contact is not made, a door card will be left with all pertinent information filled out including a contact phone number. This notice will be left at the time Trees, Inc is at the residence, which again will be five days prior to any work.

If you have any questions concerning the scheduled tree trimming in Castle Valley please contact Victor @ 801.330.5756.
