**GENERAL INTENT:** The intent of the housing decommissioning process in the Town of Castle Valley is to maintain the one dwelling per lot requirement of the zoning ordinance, but still allow residents and property owners to live in temporary dwellings during their building phase in Castle Valley so that a replacement dwelling or residence may be legally constructed. Temporary dwellings are specifically defined in the zoning ordinance and are mobile in nature, such as RVs, camping trailers, and motor homes.

**DECOMMISSIONING A TEMPORARY DWELLING:** To decommission a temporary dwelling, it must either be removed from the property or disconnected from septic and stored on the property away from previous septic connection (for Camping Trailers, Motor Homes, etc.). The owner agrees that the previous temporary dwelling will never again be used as a dwelling on their lot.

**TIME FRAME:** A decommissioned dwelling may be used as a dwelling for NO MORE THAN thirty (30) days after the occupancy of the new dwelling or receipt of a Certificate of Occupancy from Grand County for the new dwelling whichever occurs first.

**INSPECTION:** The applicant agrees to allow the Town of Castle Valley, through its officers or designated representatives, to enter on property at any reasonable time and to inspect the subject property thirty (30) days after resident occupies the new dwelling or receives a Certificate of Occupancy from Grand County for the new dwelling whichever occurs first to insure that the decommissioned temporary dwelling is not being used as a dwelling.

**REMOVAL BY TOWN:** In the event that any violation of this agreement is not rectified within 21 days after notice of violation has been given to the owner, the Town shall have the right to immediately and permanently remove the decommissioned temporary dwelling from the subject property, by means of a court order or injunction to do so, or by any other lawful means.

**DISCONNECTION FROM UTILITIES:** In the event that any violation of this agreement is not rectified within 21 days after notice of violation has been given to the owner, the Town of Castle Valley shall have the right to immediately and permanently order the disconnection of a decommissioned structure (previous temporary dwelling) from any septic system, water system, or electrical system to which the decommissioned structure may have been connected, by means of a Court order or injunction to do so, or by any other lawful means.

**PENALTIES FOR BREACH OF CONTRACT:** Each offense is subject to a \$500 fine.

**SEPARATE OFFENSE:** Each day such violation is committed or permitted to continue shall constitute a separate offense and shall be punishable as such.

**CONTRACT ENFORCEMENT COSTS:** If a violation of this contract occurs, the owner agrees to pay all costs incurred by the Town of Castle Valley in correcting the violation, including court costs, reasonable attorney fees, and any other costs directly incurred by the Town of Castle Valley for the enforcement of this contract.

**NON-WAIVER:** If the town does not take action to enforce a violation of this agreement, the Town's inaction on one or more occasions, shall not be deemed a waiver or forfeiture of the Town's right to enforce this agreement at any time thereafter.

I will live in a temporary dwelling during the construction of my permanent dwelling.
