

TOWN OF CASTLE VALLEY

July 2, 2018

Request for Proposal:

The Town of Castle Valley, is soliciting competitive sealed proposals from qualified contractors to replace and repair the sprinkler and drip line system on the Town Lot 2 Castle Valley Drive

There would be at a minimum, 3 deliverables:

- 1) Install new .7" OD drip hose and / Antelco Pressure Compensating 1GPH take apart drippers. Maximum flow per valve zone 5/gals/min. Hose to be installed on the surface except under walkways where old lines could be used. Drip line should extend to all flagged shrubs and trees.
- 2) Upgrade 5 existing valves with Rainbird DVF 1" parts. Evaluate the filter system options.
- 3) Install outdoor case timer with either a Hunter Pro C or a Rainbird ESP-me modular on a 5' high post.

The project should be completed as soon as possible.

Sealed proposals should be submitted to the Town of Castle Valley HC 64 Box # 2705 Castle Valley, Utah 84532 on or before 7/16/2018. Proposals will include project cost, a minimum of two references, and time-line for the successful execution of the project. Proposals will be opened and reviewed on 7/18/2017 at the regularly scheduled meeting of the Town of Castle Valley Town Council at 2 Castle Valley Drive Castle Valley, Utah 84532. Please contact the Town office with any questions at 435-259-9828.
