

## **“WUA” Alert!**

**Protecting your rights to have and use water in Castle Valley is an ongoing goal of the Town, but we can't do it without your help. In order to protect your rights to have and use water, please be sure a new “Water User Agreement” (WUA) is in place for your lot(s).**

**Although all residents holding or seeking a Town of Castle Valley water right were asked to sign a new WUA, many have not done so. If you do not have a “NEW” Water User Agreement on record, please call the Town office NOW (435) 259-9828, and make arrangements to get it done. We want to make this process as easy as possible, but we need your help.**
